1B THE IMPORTANCE OF ADVICE AND / OR GUIDANCE

You have confirmed that in making this decision you have not taken guidance from Pensions Wise or received advice from a financial adviser who is regulated by the Financial Conduct Authority (FCA).

Accessing your pension savings is a complex process which can lead to irreversible decisions and we recommend that you get advice and/or guidance to help you with making this decision. You have two options:

- An FCA regulated financial adviser will be able to advise you on all of the options available to you and help you to identify which ones best suit your needs.
- Pension Wise is a free and impartial service which offers guidance and will help you understand what options you have.

Please give more consideration to taking one of these options. Once you have done that and decided how you wish to proceed, please complete and sign the declaration.

I have not taken any guidance nor have I taken any advice from a financial adviser and I wish to proceed as follows:

1C CONFIRMATION THAT YOU HAVE READ AND UNDERSTOOD ALL OF YOUR OPTIONS

As you have not taken any Advice or Guidance, the Financial Conduct Authority (FCA) requires us to make you aware of the risks and implications involved in accessing your pension and so you are required to answer a series of questions either via an online link or paper based questionnaire. This is so we can provide you with the appropriate risk warnings based on your decisions and circumstances. If you would like to complete the paper based questionnaire please contact us. Alternatively you can do this through our online link at www.surveymonkey.com/r/AccessingYourSIPP

I have completed the questionnaire

2 ADVISER DECLARATION

I can confirm that I have given financial advice to the member in respect of drawing benefits from this pension fund and I am conducting this transaction on behalf of the member:

4 LIFETIME ALLOWANCE AND BENEFITS FROM OTHER ARRANGEMENTS

We need to determine how much of the Lifetime Allowance you have used. Please answer the following questions:

Were you receiving benefits on 5 April 2006 from any other pension schemes? Yes No

If yes, please state the total maximum income currently available £ per annum

Have you started taking benefits from any other pension schemes on or after 6 April 2006? Yes No

If yes, please state the total percentage of the Lifetime Allowance that you have used up. %

(The administrators of your other pension arrangements would have advised you of this when you first took your benefits).

5 BENEFIT OPTIONS

Type of pension

Please select which of the following options you require (please select only one):

- Capped drawdown (CD)** This is the original form of income drawdown, where your pension is paid directly from your fund subject to a maximum annual amount which is calculated by reference to the Government Actuary's Department (GAD) rates. This is only available if you designated funds into Capped Drawdown prior to 6th April 2015 under this arrangement.
- Convert** Capped Drawdown (CD) to Flexi Access drawdown (FAD) and crystallise further funds in Flexi Access drawdown.
You will also need to complete a Flexi Access declaration form.
- Flexi Access drawdown (FAD)** A pension commencement lump sum (PCLS) usually up to 25% of your fund can be taken and there will be no annual restrictions on how much of the remainder of the fund that can be taken as taxable income at your marginal rate.
- Uncrystallised Fund Pension Lump Sum (UFPLS)** This allows you to crystallise a fund and take all of it as a one off lump sum (subject to tax on part). Under these rules, 25% of the payment will be tax free and 75% of the payment will be taxed as pension income at your marginal rate of income tax. ***Please go straight to Section 9.***

11 EVIDENCE OF AGE

Before any benefits can be paid DP Pensions Ltd will need to carry out checks to establish proof of your identity and age. Should these checks prove unsatisfactory you will be required to provide proof of your identity to the satisfaction of DP Pensions Ltd.

12 MEMBER DECLARATION

- I hereby request and consent to the payment of benefits set out in this form.
- I confirm that the information contained in this form is, to the best of my knowledge and belief, true, complete and not misleading. I understand that it is an offence to make a false statement and that the penalties are severe and could lead to prosecution. I indemnify DP Pensions Ltd and D A Phillips & Co Ltd against any liability to pay any tax or other charges which arise out of the provision of false or misleading information.
- I agree that it is my responsibility, in conjunction with my adviser (if I have one), to ensure that there is sufficient liquidity within my SIPP to pay my benefits as they fall due.
- If I select now, or any time in the future, a level of income under capped drawdown which exceeds the maximum level allowable by HMRC, then DP Pensions Ltd will pay income equal to that maximum level unless you opt to convert to Flexi-Access drawdown.
- I understand that the gross pension payment that I have requested will be taken from my SIPP bank account and transferred to a nominated PAYE Account, after the deduction of PAYE the net payment will be paid to me on the last day of the month.
- I understand that changes to pension payment levels will be processed as soon as possible, but should DP Pensions Limited receive an instruction after the 20th of the month this will not be processed until the following month.

- I also understand that it is my responsibility to ensure that there are sufficient funds in the SIPP bank account to cover the pension payments that I have requested.
- If appropriate, I hereby give DP Pensions Ltd the authority to check with HMRC the details of any certificate which I supply.
- I understand the risks associated with capped drawdown, flexi access drawdown and uncrystallised fund pension lump sum.
- If I have selected the 'No pension commencement lump sum' option in Section 7, I understand that I cannot take this lump sum in the future.
- I agree that the basis used for valuing investments held under my pension scheme for benefit crystallisation purposes will be determined by the scheme administrator, taking into account HMRC requirements.
- I confirm that I am not using any part of my pension commencement lump sum as part of a device to recycle benefits.
- The rate at which I choose to draw funds may be unsustainable, and the level of pension available to me later may therefore be dramatically lower than it would be if the rate were restricted, or if (for example) I chose a lifetime annuity.
- The more I draw during my lifetime, the less funds will be available to provide benefits for dependants or other beneficiaries on my death.
- However irregular and variable the payments of drawdown may be, they will be taxed as pension income for the tax year in which they are drawn. Funds held within the scheme are generally outside my estate for IHT purposes, but fall back into my estate where paid to me during my lifetime. Any decision about the rate of drawdown may hold significant income tax and/or inheritance tax consequences. I take full responsibility for obtaining any advice, and making any decisions, relating to the efficient use of tax allowances and bands and all other tax matters.
- Although DP Pensions Ltd may at any time restrict payments made to me, it will do so only where it reasonably considers it appropriate to do so. "Appropriate" here means appropriate for administrative reasons (e.g. to retain funds to meet possible tax charges, or to reflect any difficulty in realising investments). DP Pensions Ltd is not responsible for assessing my financial circumstances or needs and has no duty of care in relation to the rate at which I draw funds.
- I agree to DP Pensions Ltd carrying out checks to establish proof of my identity. Should these checks prove unsatisfactory, I will be required to provide proof of identity to the satisfaction of DP Pensions Ltd, who at its sole discretion will determine whether to accept my application.
- The "Money Purchase Annual Allowance" will apply as soon as the first payment of flexi-access drawdown or uncrystallised fund pension lump sum is made (see Note 1), and this will permanently restrict tax-efficient build-up of further funds for me in any money purchase pension scheme.
- If I am an active member of any other pension schemes, I may be obliged to inform the scheme administrator of that scheme that I have flexibly accessed pension rights.
- I agree to the scheme administrator deducting, from the funds held for me under the Scheme, any scheme sanction charge, or other tax charge or fine or penalty to which the scheme administrator is or may be liable in relation to my membership of the Scheme. If any such amount exceeds the amount available to meet it under the Scheme, I will pay the excess to the scheme administrator personally.

If you have any doubts whatsoever about which option is most suitable to you then please contact your financial adviser.

Note 1 - the Money Purchase Annual Allowance ("MPAA")

The MPAA applies to an individual in the tax year in which that individual first "flexibly accesses pension rights" and in all subsequent tax years. Payment of any of the following counts as "flexibly accessing pension rights":

- flexi-access drawdown (receiving payment, not simply designating funds);*
- an "uncrystallised funds pension lump sum" (an alternative way of drawing funds completely without taking separate tax-free lump sum and drawdown);*
- a flexible annuity (broadly, an annuity which may decrease in payment without restriction);*
- a scheme pension from a money purchase scheme paying fewer than 12 scheme pensions); or*
- a stand-alone lump sum, for an individual with primary but not enhanced protection.*

When the MPAA applies, the individual's annual allowance for contributions to all money purchase (and certain hybrid) pension schemes is restricted to £4,000. The overall annual allowance, for contributions/accrual of benefits in all registered pension schemes, is still £40,000.

The MPAA cannot be increased by carrying forward unused allowance from a previous tax year, but the overall annual allowance can.
