3. HOW THE SCHEME IS STRUCTURED

- 3.1 The scheme is a registered pension scheme under the Act.
- 3.2 The scheme has been established and is governed by a trust deed and attaching rules. Within the trust deed, D A Phillips & Co Limited is the trustee of the scheme and DP Pensions Ltd is the administrator of the scheme.
- 3.3 The trustee will hold the individual fund in its name and the Administrator will administer the fund in line with the trust deed and rules, and the Act. Within the fund uncrystallised and crystallised funds will be separately identifiable.
- 3.4 DP Pensions Ltd are authorised by the Financial Conduct Authority to ‘establish, operate and wind up personal pensions, including SIPPs’. The administrator will administer the scheme in accordance with the scheme trust deed and rules. It is the administrator with whom you are contracting in respect of your scheme.

The Premier Trust – Terms & Conditions

- 3.5 The reference source for any conflict between these terms and conditions, the trust deed and rules or any other documentation will always be the Act.

4. ADVICE

- 4.1 Nothing provided to you by us, whether verbally or in writing, should be construed as financial or investment advice as defined by the Financial Services and Markets Act 2000, unless expressly stated.

5. JOINING THE SCHEME

- 5.1 By signing the SIPP application form you are making certain declarations about your eligibility to join the scheme and claim tax relief as well as agreeing to open your individual fund and to become a scheme member on these terms and also accept the trust deed and rules.
- 5.2 Membership of the scheme is dependent on you or your adviser supplying suitable documents or other evidence in order that your identity can be established by the administrator. The administrator reserves the right to use online systems and checks to verify your identity and address.
- 5.3 Where an application is made by someone aged under 18, the application must be signed by a legal guardian who will also be responsible for the scheme until you reach 18. Only your legal guardian will be able to give investment instructions. These terms and conditions will apply to your legal guardian until you reach the age of 18 at which point they will apply to you.
- 5.4 Membership of the scheme is at the discretion of the administrator.

6. CONTRIBUTIONS

- 6.1 If you are eligible, you and any other person (your employer or other third party) may make contributions to your SIPP either on a single or regular basis, subject to any minimum amount of contribution set by us from time to time.
- 6.2 The contribution can be satisfied through a transfer of money via bank transfer or cheque, or subject to the agreement of the administrator, through the transfer of assets. Where a contribution is to be satisfied through a transfer of assets (sometimes referred to as an 'in-specie' contribution) the terms and costs will be agreed between us and you prior to the contribution taking place.
- 6.3 Personal contributions made by you will normally be treated as having been paid net of basic rate tax which we will claim on your behalf from HMRC to the extent that you are due tax relief on the contribution. The tax reclaim process can take several weeks. You are responsible for informing us if you are not entitled to tax relief on all or part of your contribution. As a guide, circumstances where you may not be entitled to tax relief on your contribution are where, at the end of the tax year, your contributions exceed the higher of £3,600 (the 'basic amount' as amended from time to time) or your UK relevant earnings subject to the annual allowance.
- 6.4 You are responsible for claiming any higher rate tax relief to which you are entitled.
- 6.5 Contributions paid by your employer are treated as being paid gross meaning there will be no further tax relief for us to claim.
- 6.6 When signing the application declaration, amongst other things, you are confirming that your contribution is eligible for tax relief. You must notify us in advance of any contribution being made, where you believe the contribution is not eligible for tax relief. Contributions paid after you reach age 75 are not eligible for tax relief.

The Premier Trust – Terms & Conditions

- 6.7 If you make contributions to your individual fund which, when combined with other contributions to registered pension schemes, exceed the amount on which you are entitled to tax relief, we may agree to refund the excess contributions to you provided there is sufficient money in your fund to make the refund to you and pay any amounts due to be repaid to HMRC. Where there is insufficient money in your fund, the administrator may direct the trustee to dispose of assets within your individual fund, sufficient to repay you and HMRC. If you have taken benefits or transferred out of the scheme or there is insufficient money in your individual fund, you agree to be liable for any losses or costs incurred by us. Any investment loss or growth in respect of a refunded contribution will be deemed to be outside the scheme.
- 6.8 Your pension input period, as defined by the Act, will start on the first day you make a contribution and will end on the following 5th April. Subsequent periods will then run from 6th April to 5th April.

7. TRANSFERS

- 7.1 The administrator may, at its absolute discretion, accept transfers of benefits from other registered pension schemes, subject to the trust deed and rules, and the Act. Benefits comprising, uncrystallised and crystallised benefits will all be separately identified within your fund.
- 7.2 It is your responsibility to ensure a transfer of pension benefits is in your best interests. Consequently you should take advice from a suitably qualified financial adviser. As per (4) we do not provide advice. Our acceptance of a transfer is in no way an endorsement of the transfer.

8. CANCELLATION RIGHTS

- 8.1 When you initially join the scheme or make transfers to the scheme, you are entitled to a 30 day cancellation period, effective from the date you receive a cancellation notice. The cancellation notice applies separately to when you join the scheme and to each individual transfer. When your Plan is set up you will be sent a Cancellation Notice which gives more details of this right to cancel the Plan and sets out what you should do if you change your mind.
- 8.2 If you cancel your SIPP we will return the full value of your plan. We will make no charges. You can invest your SIPP funds during the cancellation period if you would like and this will not affect your right to cancel. However if you subsequently decide to cancel the SIPP then the amount returned may be less than has been paid in as a result of movements in the price of any investment made and charges levied by any third party.
- 8.3 Where you decide to exercise your right to cancel in respect of a transfer, we will attempt to pay the funds back to the scheme or arrangement from which the funds have been received. However they are not obliged to take back the funds in which case you will be responsible for nominating a new registered pension scheme to which the funds can be transferred.
- 8.4 Where funds are received in respect of a contribution or transfer that subsequently fail to clear and where we have sent the funds to 7IM for investment, we may dispose of the assets without consulting you. We will not be liable if the amount realised is less than the cost of acquiring the assets and we will be entitled to charge your scheme an amount to cover our costs. We will notify you of the costs involved.

9. POOLED BANK ACCOUNT

- 9.1 Upon receipt of funds, these funds will be deposited into a pooled bank account before being transferred to 7IM. The signatories to the account will be authorised signatories on behalf of the trustee, as amended from time to time. All payments into and out of the scheme will pass through the pooled bank account. The administrator is solely responsible for nominating the bank or institution to be used for the pooled bank account.

The Premier Trust – Terms & Conditions

10. SCHEME INVESTMENTS

- 10.1 Investments made for your SIPP fund will be held by the trustee or on the trustee's behalf by 7IM. Your entitlement as a scheme member is represented by the net value of your investments and/or assets after taking account of the deduction of costs and liabilities.
- 10.2 Any investment income, including interest, or capital gains from your scheme investments will be held by the trustee on behalf of your fund and will form part of the assets and therefore value, of your fund.
- 10.3 The administrator will only act in accordance with directions from you, other than where, in the opinion of the administrator the following apply (10.3.1 to 10.3.5), in which case the administrator has discretion to direct the trustee to dispose of investments without consultation with you or your prior agreement;
- 10.3.1 the continued retention of an investment would be unlawful;
 - 10.3.2 the continued retention of the investment would impose tax or other costs which your fund may not be able to meet;
 - 10.3.3 the investment needs to be disposed of to meet any tax liability or other liabilities or costs (including our own);
 - 10.3.4 to comply with a court order;
 - 10.3.5 to pay out death benefits;
- 10.4 We are not responsible for the investment decisions you make.

11. INVESTMENT INSTRUCTIONS

- 11.1 The trustee as directed by the administrator of the scheme, will be involved with the investment process. Investments are made at our discretion and we may refuse to make investments for the following reasons:
- 11.1.1 your instructions are not confirmed to us in writing;
 - 11.1.2 in our opinion making the proposed investment would give rise to a tax charge including a taxable property charge, unauthorised payment charge, tax surcharge or scheme sanction charge, or where the proposed investment could be deemed a trading activity giving rise to income or capital gains tax;
 - 11.1.3 in our opinion the proposed investment is unlawful, impracticable, contrary to a court order or contrary to legislation;
 - 11.1.4 there are insufficient cleared funds available within your fund;
 - 11.1.5 in our opinion the proposed investment could expose your fund and/or the scheme to liabilities your fund may not be able to meet;
 - 11.1.6 it is shown, to our satisfaction, that you no longer have the capacity to enter into agreements or contracts due to physical or mental impairment;
 - 11.1.7 where we have reason to believe there may be a fraudulent act or other reason why it would be inappropriate to follow your instructions.

The Premier Trust – Terms & Conditions

- 11.2 No investment can be completed until we have granted approval. Where approval for an investment is sought by you, we will respond as soon as reasonably practicable based upon the extent of the enquiries we need to make to establish the provenance of an investment. In some cases this may involve obtaining a professional valuation or opinion, the cost of which will be borne by you or your fund. Where an investment is not approved, we will inform you of this decision.
- 11.3 Subject to 11.1 and 11.2, we will carry out your investment instructions as soon as reasonably practicable. Where the purchase of one investment is dependent on the sale of another, we will act on your written instructions to carry out the disposal. The subsequent purchase cannot proceed until cleared funds are received in the pooled bank account. Provided we have not acted unreasonably, we cannot be held liable for any market or price movements during the period between your investment instruction being received and executed.
- 11.4 We will act on your instructions to dispose of an investment or asset as long as your instructions are received in writing and there is nothing in our opinion that would prevent us from carrying out the order. We may refuse your instruction to dispose of an asset for the following reasons:
- 11.4.1 in our opinion the proposed disposal is unlawful, impracticable, contrary to a court order or contrary to legislation;
 - 11.4.2 it is shown, to our satisfaction, that you no longer have the capacity to enter into agreements or contracts due to physical or mental impairment;
 - 11.4.3 where we have reason to believe there may be a fraudulent act or other reason why it would be inappropriate to follow your instructions.
- 11.5 Where an investment transaction takes place between your fund and you, or any person connected with you, then the transaction must be completed at market value, as defined in section 272 of the Taxation of Chargeable Gains Act 1992 and section 278(2) to (4) Finance Act 2004 (where dealing with a right or interest in respect of money lent directly or indirectly to certain parties). A person is connected to you if that person falls within the definition of a connected person in section 993 of the Income Tax Act 2007.

12. TRANSFERRING OUT

- 12.1 The administrator has discretion to transfer the value of your fund to another registered pension scheme or recognised overseas pension scheme. This will be done as soon as practicable upon request and without penalty by us. Any accrued administration fees will be levied prior to transfer together with any costs incurred in disposing of fund assets. The transfer will be made subject to current legislation and HMRC rules.
- 12.2 We will not transfer benefits in accordance with these terms and conditions unless we are satisfied of the following:
- 12.2.1 we have proper authority to make the transfer;
 - 12.2.2 we are in receipt of all the necessary documentation;
 - 12.2.3 we have received all the fees due to us;
 - 12.2.4 all liabilities and costs have been satisfied by your fund;
 - 12.2.5 by making the transfer is not likely to prejudice any protected benefits, or be unlawful or be made to an unrecognised or unregistered scheme;

The Premier Trust – Terms & Conditions

- 12.3 In some circumstances it may be necessary for us to delay the transfer of benefits, particularly where we are unable to realise or transfer some of the investments. Such circumstances could lead to you having to defer transferring or taking benefits. We will advise you where this is likely to be the case.

13. PAYMENT OF BENEFITS

- 13.1 We can, at our discretion, pay benefits in accordance with the trust deed and rules, and the Act. Any uncrystallised fund can be used to pay a pension commencement lump sum and any remainder used to provide income withdrawal not earlier than your normal minimum pension age or where an ill health condition is met.
- 13.2 At the point you wish to crystallise benefits you will be required to complete an application form and you are entitled to a 30 day cancellation period, effective from the date you receive a cancellation notice. We will retain the right to defer the payment of a pension commencement lump sum and/or income until the 30 day cancellation period has expired. Where, upon your instructions, we have paid the pension commencement lump sum and/or income and you subsequently cancel, you undertake to repay to us any funds paid to you in full on or before the 30th day after receiving the cancellation notice, which we assume to be two days after we issued it.
- 13.3 Income will be paid by us as determined by you subject to any minimum and maximum limits as prescribed by HMRC from time to time. Payments made by us to you from your crystallised fund will be made net of tax and can be paid at monthly, quarterly, half yearly or annual intervals, or on an ad hoc basis. Payments are conditional on there being sufficient liquid funds available in your fund. Typically payments are made on the last day of each month.
- 13.4 Upon your death we will pay benefits in accordance with the trust deed and rules, and the Act. Any payment of an uncrystallised fund must be made within two years from the date of death to avoid any tax charges.
- 13.5 You, or us at our discretion, may at any time use your fund to purchase benefits by way of an appropriate policy or contract with an insurance company.
- 13.6 We will not pay benefits in accordance with these terms and conditions unless we are satisfied of the following:
- 13.6.1 we have proper authority to pay the benefits;
 - 13.6.2 we are in receipt of all the necessary documentation;
 - 13.6.3 we have received all the fees due to us;
 - 13.6.4 all liabilities and costs have been satisfied by your fund;
- 13.7 It is your responsibility to ensure that there are sufficient funds available to meet any income that you have requested.

14. VALUATIONS AND REPORTING

- 14.1 Once a year we will supply you with a valuation of your fund which will detail the value of the investments and assets of your fund, less any liabilities at that date. For the purposes of this valuation, where investments are able to be valued, the value will be the value at the close of business on the day prior to the valuation. Where investments or assets have no published price or value, the valuation will be based on the original cost or the most recent valuation. Fund investments and assets will be valued in line with HMRC requirements or other legislation that from time to time may apply. Where a professional valuation is required, we will appoint, in

The Premier Trust – Terms & Conditions

conjunction with you where possible, a professional valuer. Any valuer's fees will be payable from your fund.

- 14.2 You may request interim valuations for which we reserve the right to charge a fee which will be borne by your fund. We will tell you what the fee is to be.
- 14.3 You agree to review any valuations provided by us and tell us within three months of receipt by you or your adviser of any discrepancy. In absence of any such notification, we will be entitled to assume that the valuation is an accurate reflection of your fund.

15. PROFESSIONAL ADVISERS

- 15.1 You may nominate one or more investment managers at 7IM to act on your behalf on an advisory or discretionary basis. Alternatively you may permit us in writing to receive instructions from your advisers on your behalf. Where this is the case, we will continue to act on the instructions of your adviser until we receive notice from you about the withdrawal of that authority.
- 15.2 We will, at our discretion, enter into any necessary agreements with your professional advisers to formally appoint them subject to mutually acceptable terms between us and them, that amongst other things, will allow us to pay their fees from your fund and limits the scheme's liability to the professional adviser to the value of your fund. We accept no liability for the selection or non-performance of a professional adviser.

16. INDEMNITY AND LIABILITY

- 16.1 If you carry out an action in respect of your fund that is unlawful or contrary to the trust deed and rules, the Act or other legislation, or any other action that results in any liability or cost to your fund or the scheme, you are required to indemnify us against any such liability or cost and we are entitled to recover any such claims, costs and expenses from your fund. Where insufficient funds are held within your plan, we may require you to dispose of assets or investments. If there is still a shortfall to cover the costs or liability we may require you to pay us the amounts due.

17. TAXATION

- 17.1 You are able to pay contributions and subject to limits prescribed by the Act, receive tax relief on them. Where you exceed these limits, or if for any other reason tax relief is not available on your contribution, we may deduct from your fund a sufficient amount to account for the excess tax relief and repay it to HMRC. You are required to inform us where you believe you may have contributed more than the limit.
- 17.2 The Act also sets a limit as to the combined total of pension benefits that can be accrued within registered pension schemes without incurring a tax charge. This limit is known as the Lifetime Allowance. Where your combined pension benefits exceed this figure, subject to any protection you may have in place, a tax charge will be incurred at the point you crystallise your benefits, to the extent that your crystallised funds exceed the lifetime allowance. You are required to inform us of all pension arrangements you hold in order we can calculate the combined total of your pension benefits to see if a tax charge applies. Where a tax charge is incurred we deduct from your fund the necessary amounts to meet the tax charges related to the lifetime allowance being exceeded. We will tell you where this is the case and the tax charge amounts.
- 17.3 We may also be liable from time to time to other tax charges, including a scheme sanction charge in relation to your scheme where a tax chargeable payment is made. Where such tax charges are incurred, other than through any fraud, negligence or breach of regulatory duty on our part, you agree to us deducting the necessary amounts from your fund to meet the tax charges due. Where your fund is unable to meet the payment of the tax charge, we may require you to pay us the amounts due.

The Premier Trust – Terms & Conditions

18. FEES, CHARGES AND EXPENSES

- 18.1 You agree to pay us fees, charges and expenses involved with the administration of your membership of the scheme, as they become due. Our schedule of fees is available through your financial adviser or from us directly. We may amend or increase our fees from time to time; where this is the case we will inform you prior to the amendment or increase.
- 18.2 We are entitled to recover costs not stipulated in our schedule of fees incurred by us for the administration of your scheme. These costs include, but are not limited to, any losses, claims or liabilities involved with acquiring, valuing or disposing of any fund assets or investments; administration costs involved with complying with any court orders; disbursements or other charges or commissions levied by any investment or other professional advisers in line with the terms agreed with them; any tax charges, duties or liabilities.
- 18.3 The fees, charges, expenses and costs in 18.1 and 18.2 are payable when they become due. Our Fee Schedule, which is provided when your SIPP is set up and available on request, details the fees for setting up and administering your plan. Where there are insufficient funds available we may require you to pay further funds into your Plan or dispose of fund investments or assets to meet the amount due. We are entitled to dispose of scheme assets or investments if the amount remains unpaid after 30 days. Where there remains a shortfall we may require you to pay us the amount due.
- 18.4 Where amounts due to us remain outstanding for more than 30 days, we are entitled to add interest to the sum outstanding at a rate of 3% above the Barclays Bank base rate, as amended from time to time.

19. INFORMATION, COMMUNICATION AND NOTICES

- 19.1 We require you to provide us with accurate information that we may reasonably need in order to administer your scheme and fulfil our obligations under these terms and conditions. This includes but is not limited to notifying us of a change of address, e-mail address, or phone number and responding to correspondence regarding your scheme.
